MEMORANDUM FOR: Project Security Officer

SUBJECT : Request for Clearance

1. [redacted] has come back with the word that [redacted] secretary [redacted] whose name is [redacted] really should be Project cleared, as it is very difficult for cables to be sent out from [redacted] office without her knowing their content.

2. Would you kindly run a check on her and let me know before I go over, if possible (that is, on 23 or 24 March), or cable approval for her clearance to me [redacted]
